To Whom It May Concern:

This is to verify that Gong Chen has been working as a Software Development Intern at CloudParticle since 04/27/2015. This is an unpaid position. Gong Chen is expected to work 30 hours per week during his internship. His mentor, Jianfeng Yang, can be reached at 650-996-3086 (email: [cloudparticle@gmail.com](mailto:cloudparticle@gmail.com)).

I certify that our organization is registered with E-Verify. The employer name as listed in E-Verify is CLOUDPARTICLE. The E-Verify Company Identification Number is 834979.

During his internship, Gong Chen will work on smart device application development. Required skills include algorithm design and implementation, mobile application development, system design, OS, networking, etc. which are directly related to Gong Chen's master degree in Software Engineering.

I agree to comply with the reporting requirements for students on authorized Optional Practical Training (OPT). I agree to report the termination or departure of the student to you and to the university within 48 hours of termination of employment.

Sincerely,  
Jianfeng Yang  
VP Engineering of CLOUDPARTICLE
